MP Sahota Celebrates Canada Day with Brampton Seniors

08/07/2019 – Brampton, ON – Ms. Ruby Sahota, Member of Parliament for Brampton North has been celebrating Canada Day with seniors from across Brampton.

“Today is an occasion for us to not only celebrate Canada but to appreciate our beautiful country. Canada would not be what it is today without the tremendous contributions of all Canadians, including our seniors.” said MP Sahota. “Canada is a nation of people united around our shared values of diversity, inclusion and generosity. We embrace the fact that our differences are our greatest strength. I am proud to call this country home.”

MP Sahota spent time celebrating with the North American Sikh League, the Mayfield Progressive Seniors Club, the Anderson Seniors Club, and the Treeline Seniors Club, with plans to visit many more seniors’ clubs and association through the summer.

“With our seniors population growing, and the cost of living going up, we need to do more to support our seniors. They deserve to have the care and support they need,” said MP Sahota. “Our Liberal government is focused on helping working seniors keep more of their hard-earned income, and funding more projects for seniors who want to stay active and involved in their communities. We are also taking the next steps to make medication more affordable for seniors.”
