A MESSAGE FROM MP SAHOTA

A few weeks ago, our Government tabled Budget 2021, which outlines our plan to conquer COVID-19, ensure a speedy economic recovery with more job creation, and build Canada back better.

Budget 2021 is a historic investment that will address the specific wounds created by the pandemic recession, put people first, grow the

middle class, and create greener, more equitable communities for all Canadians to enjoy.

VACCINE UPDATES

How many vaccines are arriving?

We're right on track to receive at least 49 million vaccine doses total by June, which will allow us to fully vaccinate everyone who wants to be by September.

Where should I go to get my vaccine?

All residents of the Region of Peel aged 18 and over can go book their vaccines on the Region of Peel's website.

What about pharmacy vaccinations?

You can book at pharmacies as well. If you are 40+, you can receive the AstraZeneca vaccine and if you are 55+, you can receive the Pfizer vaccine at select pharmacies. Check which participating pharmacies are near you here: https://covid-19.ontario.ca/ vaccine-locations.

Are the vaccines safe?

Yes, all the vaccines available are free, safe, effective and have been rigorously screened by Health Canada.

WHAT'S IN BUDGET 2021 FOR YOU?

We're extending the Emergency Wage and Emergency Rent Subsidies until September 2021

We're also extending the Canada Recovery Benefit to a total of 50 weeks and extending the Canada Recovery Caregiving Benefit to a total of 42 weeks

Fighting COVID-19

We're investing \$3 billion to improve the standards in our longterm care homes and ensure seniors get the care they deserve. This is on top of the \$1 million from our Fall Economic Statement

We're investing \$595 million to the Canada Recovery Hiring **Program** so businesses can offset the cost of hiring back workers

We're also adding \$9 billion to the Canada Workers Benefit to support low-wage workers

To support seniors, we're providing a one-time \$500 top-up to OAS recipients aged 75+ and giving a 10% OAS increase in July 2022 for seniors aged 75+

We're investing \$300 million for Black-led initiatives to fight racism and another \$300 million for the Black Entrepreneurship Program and Women Entrepreneurship Strategy

A historic commitment to decrease the cost of childcare to \$10 per day by 2026 and cut costs by 50% in 2022 to ensure all families have access to quality and affordable childcare

Another investment in housing: \$3.8 billion to create 35,000 affordable housing units all across Canada

To help the environment: \$5 billion over 7 years in the Net Zero Accelerator to help companies reduce their greenhouse gas emissions

We're also investing in the Canada Digital Adoption Program to help 160,000 small businesses adapt and expand their digital operations after the pandemic. Our plan involves hiring 28,000 young Canadians to help businesses adapt to new technology
